

NOTES

(1) If the Applicant is aggrieved by the decision of the local planning authority to refuse permission for the proposed development, he may appeal to the Minister of Housing and Local Government, Whitehall, London, S.W.1. in accordance with Section 23 of the Act. The Minister is not, however, required to entertain such an appeal if it appears to him that permission for the proposed development could not have been granted by the local planning authority, having regard to the provisions of Sections 17 and 18 of the Act and of the Development Orders and to any directions given under the Orders.

(2) A notice of appeal must be submitted to the Minister within ONE MONTH of the receipt of this notice of decision. The Minister has power to allow a longer period for the giving of a notice of appeal and he will exercise his power in cases where he is satisfied that the applicant has deferred the giving of notice because negotiations with the Local Planning Authority in regard to the proposed development are in progress.

(3) If permission to develop land is refused, or granted subject to conditions, whether by the local planning authority or by the Minister of Housing and Local Government, and the owner of the land claims that the land has become incapable of reasonably beneficial use in its existing state and cannot be rendered capable of reasonably beneficial use by the carrying out of any development which has been or would be permitted, he may serve on the Council of the county district in which the land is situated a purchase notice requiring that Council to purchase his interest in the land in accordance with Section 129 of the Act. Such a notice MUST relate to exactly the same area of land as was the subject of the planning refusal or conditional permission.

(4) In certain circumstances a claim may be made against the local planning authority for compensation where permission is refused, or granted subject to conditions by the Minister on appeal or on a reference of the application to him. The circumstances in which such compensation is payable are set out in Section 123 of the Act.

(5) Where planning permission is refused or granted subject to "damaging" conditions, compensation may, in certain circumstances, be claimed from the Minister of Housing and Local Government under Part VI of the Act. A leaflet (No. COMP. 1B) explaining the position, including information as to where claims should be sent, may be obtained from the address overleaf or from any local authority (other than a parish council).

In pursuance of the powers exercised by them on behalf of the County Council of Essex as local planning authority this Council do hereby give notice of the decision to REFUSE permission for the following development :—

One dwelling - 285 Benfleet Road, South Benfleet

for the following reasons :—

The Development Plan is designed to limit the amount of development in Benfleet district in conformity with the Government's policy for limiting the rate of growth in South East England. The programme for the augmentation of public services in the district is based upon the proposals for development contained in the Development Plan and a programme of that development extended over the whole period to 1981. The current rate of development threatens both to jeopardise the Development Plan and seriously to outrun the provision of public services. In particular, water supplies to South-East Essex are limited; it is necessary to limit development until a new source of supply is available and this is not likely to be before 1971/2.

In pursuance of the powers exercised by them on behalf of the County Council of Essex as local planning authority this Council do hereby give notice of the decision to REFUSE permission for the following development :—

**Outline - Residential - 157 Chesterfield Avenue,

The site is outside the areas allocated for residential development in the County Development Plan and furthermore is intended to form part of the Metropolitan Green Belt. The Written Statement accompanying the County Development Plan indicates that in order to achieve the purposes of the Metropolitan Green Belt it is essential to retain and protect the existing rural character of the areas so allocated and that new buildings and uses will only be permitted outside existing settlements in the most exceptional circumstances and when essential for agricultural or allied purposes.

NOTES

(1) If the Applicant is aggrieved by the decision of the local planning authority to refuse permission for the proposed development, he may appeal to the Minister of Housing and Local Government, Whitehall, London, S.W.1. in accordance with Section 23 of the Act. The Minister is not, however, required to entertain such an appeal if it appears to him that permission for the proposed development could not have been granted by the local planning authority, having regard to the provisions of Sections 17 and 18 of the Act and of the Development Orders and to any directions given under the Orders.

(2) A notice of appeal must be submitted to the Minister within ONE MONTH of the receipt of this notice of decision. The Minister has power to allow a longer period for the giving of a notice of appeal and he will exercise his power in cases where he is satisfied that the applicant has deferred the giving of notice because negotiations with the Local Planning Authority in regard to the proposed development are in progress.

(3) If permission to develop land is refused, or granted subject to conditions, whether by the local planning authority or by the Minister of Housing and Local Government, and the owner of the land claims that the land has become incapable of reasonably beneficial use in its existing state and cannot be rendered capable of reasonably beneficial use by the carrying out of any development which has been or would be permitted, he may serve on the Council of the county district in which the land is situated a purchase notice requiring that Council to purchase his interest in the land in accordance with Section 129 of the Act. Such a notice MUST relate to exactly the same area of land as was the subject of the planning refusal or conditional permission.

(4) In certain circumstances a claim may be made against the local planning authority for compensation where permission is refused, or granted subject to conditions by the Minister on appeal or on a reference of the application to him. The circumstances in which such compensation is payable are set out in Section 123 of the Act.

(5) Where planning permission is refused or granted subject to "damaging" conditions, compensation may, in certain circumstances, be claimed from the Minister of Housing and Local Government under Part VI of the Act. A leaflet (No. COMP. 1B) explaining the position, including information as to where claims should be sent, may be obtained from the address overleaf or from any local authority (other than a parish council).
