for the following reasons:-

1. The proposal would create architectural imbalance of the pair of semi-detached chalets and spoil the appearance of the front elevation thereof.
2. The proposal would result in a retrograde diminution of spacial standards in the street scene and be detrimental to the more open character of this section of Clifton Avenue.
3. The proposal would occupy an over-dominant position in relation to the adjoining dwelling to the east detracting from the prospect and environmental standards of that dwelling.
