following development:-

**Erection of factory units at sites of Nos. 1 - 8 Claydons
Lane, Thundersley, Benfleet.**

for the following reasons:-

1. The proposal represents overdevelopment of the site out of scale with the more open character of the setting of the neighbouring industrial buildings.
2. The proposal lacks proper means of pedestrian access to the detriment of highway safety.
3. The proposal represents intensive piecemeal development of a site which should be comprehensively developed in conjunction with the adjacent land to the east.
4. No provision is made for servicing facilities, nor adequate provision for loading and unloading.
5. The proposal is likely to generate a material increase in the number of vehicles turning into and out of Claydons Lane at its junction with the London/Southend A127 Trunk Road, to the detriment of future safety and the maintenance of a free flow of traffic on the trunk road.
6. Inadequate space is maintained for landscaping purposes to allow the site to be developed in a manner which would ensure an attractive form of development and to safeguard the visual amenities of adjoining land which forms part of the proposed ext. to the Met. Green Belt.
