TOWN AND COUNTRY PLANNING ACT 1971

Town and Country Planning General Development Orders.

DISTRICT COUNCIL OF CASTLE POINT

To **Ada Mavis Wiggins,**
Chalet 202 Newlands Camp,
Canvey Island,
Essex.

This Council do hereby give notice of their decision to REFUSE permission for the following development :-

Temporary stationing of caravan for use as living accommodation until property is rebuilt at "Castle View", Zutphen Road, Canvey.

for the following reasons:-

The stationing of an isolated caravan would appear out of place and detract from the appearance of the area. It would be likely to lead to similar proposals in the immediate vicinity which the granting of planning permission in the present case would make difficult to resist. Furthermore, no permanent proposals have been approved for the development of the site, and would be premature in advance of the preparation of a district plan and provision of services.

88 Kenneth Road,
Benfleet, Essex.

This Council do hereby give notice of their decision to REFUSE permission for the following development :-

Change of use from transport yard to sports centre at Albion Road,
Benfleet.

for the following reasons:-

1. The proposed development would result in over-intensive site coverage detracting from the amenities of the surrounding area in a manner contrary to the Council's policy for the proposed extension to the Metropolitan Green Belt of which the site forms part. The Written Statement accompanying the County Development Plan indicates that in order to achieve the purposes of the Metropolitan Green Belt, it is essential to retain and protect the existing rural character of the areas so allocated and that the Council will ensure that the Green Belt's appearance will not be impaired by reason of the size and character of any development within such areas.
2. The proposal would be likely to affect the amenities of the adjoining residential properties by reason of noise and general disturbance.
3. The proposal provides inadequate car parking on the site and would inevitably result in vehicles being parked in surrounding roads to the detriment of other road users and residents in the area.
