

NOTES

(1) If the applicant is aggrieved by the decision of the local planning authority to refuse permission or approval for the proposed development or to grant permission or approval subject to conditions, he may appeal to the Secretary of State for the Environment, in accordance with Section 36 of the Town and Country Planning Act 1971, within six months of receipt of this notice. (Appeals must be made on a form which is obtainable from the Secretary of State for the Environment, 2 Marsham Street, London, S.W.1.). The Secretary of State has power to allow a longer period for the giving of a notice of appeal but he will not normally be prepared to exercise this power unless there are special circumstances which excuse the delay in giving notice of appeal. The Secretary of State is not required to entertain an appeal if it appears to him that permission for the proposed development could not have been granted by the local planning authority, or could not have been so granted otherwise than subject to the conditions imposed by them, having regard to the statutory requirements, to the provisions of the development order, and to any directions given under the order. (The statutory requirements include Section 6 of the Control of Office and Industrial Development Act, 1965 and Section 23 of the Industrial Development Act 1966).

(2) If permission to develop land is refused, or granted subject to conditions, whether by the local planning authority or by the Secretary of State for the Environment and the owner of the land claims that the land has become incapable of reasonably beneficial use in its existing state and cannot be rendered capable of reasonably beneficial use by the carrying out of any development which has been or would be permitted, he may serve on the Council of the County District in which the land is situated a purchase notice requiring that Council to purchase his interest in the land in accordance with the provisions of Part IX of the Town and Country Planning Act, 1971

(3) In certain circumstances, a claim may be made against the local planning authority for compensation, where permission is refused or granted subject to conditions by the Secretary of State on appeal or on a reference of an application to him. The circumstances in which such compensation is payable are set out in Section 169 of the Town and Country Planning Act, 1971.

The Secretary of State is not required to entertain an appeal if it appears to him that permission for the proposed development could not have been granted by the local planning authority, or could not have been so granted otherwise than subject to the conditions imposed by them, having regard to the statutory requirements, to the provisions of the development order, and to any directions given under the order. (The statutory requirements include Section 6 of the Control of Office and Industrial Development Act, 1965 and Section 23 of the Industrial Development Act 1966).

(2) If permission to develop land is refused, or granted subject to conditions, whether by the local planning authority or by the Secretary of State for the Environment and the owner of the land claims that the land has become incapable of reasonably beneficial use in its existing state and cannot be rendered capable of reasonably beneficial use by the carrying out of any development which has been or would be permitted, he may serve on the Council of the County District in which the land is situated a purchase notice requiring that Council to purchase his interest in the land in accordance with the provisions of Part IX of the Town and Country Planning Act, 1971.

(3) In certain circumstances, a claim may be made against the local planning authority for compensation, where permission is refused or granted subject to conditions by the Secretary of State on appeal or on a reference of an application to him. The circumstances in which such compensation is payable are set out in Section 169 of the Town and Country Planning Act, 1971.

Subject to compliance with the following conditions:-

1. The development hereby permitted shall be begun on or before the expiration of five years beginning with the date of this permission.
2. A 1.8 metre (6 ft.) brick wall/close boarded screen fence shall be erected prior to the occupation of the development hereby approved and thereafter maintained. The siting and extent of the said wall or fence to be agreed in writing with the planning authority before development takes place.
3. A scheme of landscaping including details of all hedges, planting and tree planting to be carried out, together with details of all trees and other natural vegetation to be retained on site shall be submitted to and approved by the Castle Point District Council in writing, prior to commencement of the development hereby approved; such landscaping scheme to be implemented prior to completion and occupation of the said development.

Any tree contained within such scheme dying or being removed within 5 years of the date of this permission shall be replaced by a tree of similar size and species by the applicant or the applicant's successor in title.

4. Details or samples of all materials to be used on the external elevations of the development proposed shall be submitted to and approved by the Castle Point District Council in writing, prior to commencement of the development hereby approved.
5. No development of the type specified in Section 1 of Class I of Schedule I of the Town and Country Planning General Development Order 1973 shall be carried out without the permission of the Castle Point District Council.

The reasons for the foregoing conditions are as follows:-

1. This condition is imposed pursuant to Section 41 of the Town and Country Planning Act 1971.
2. To safeguard the privacy and amenities of both this and adjoining properties.
3. To ensure a satisfactory development incorporating a degree of natural relief in the interests of the amenities of this site.
4. In order to ensure a satisfactory development in sympathy with and harmonious to existing development in this area.
5. The site of the development hereby approved is restricted in size, and additional development could result in an unacceptable diminution in privacy or private open space standards.

To Co-Ordinated Properties,
1530a London Road,
Leigh-on-Sea,
Essex.

This Council, having considered your* (~~conditions~~) application to carry out the following development :-

Substitution of car parking in front of buildings as parking ancillary to the factories in place of separate car park to South west at Claydons Lane, Rayleigh.

in accordance with the plan(s) accompanying the said application, do hereby give notice of their decision to GRANT PERMISSION for † [the said development]

subject to compliance with the following conditions:-

1. The development hereby permitted shall be begun on or before the expiration of five years beginning with the date of this permission.
2. Access both vehicular and pedestrian, shall be other than directly from the trunk road.
3. The car parking provision permitted under reference BEN/426/73 shall be retained and available for use until such time as the substitute car parking provision permitted under reference BEN/84/74 is made fully available for use in lieu thereof.

The reasons for the foregoing conditions are as follows:-

1. This condition is imposed pursuant to Section 41 of the Town and Country Planning Act, 1971.
2. To minimise interference with the future safety and free flow of traffic on the trunk road.
3. To ensure that adequate parking provision is available at all times.

C. R. May Brown
Chief Executive and Clerk
of the Council

Note! This permission does not incorporate Listed Building Consent unless specifically stated.

* This will be deleted if necessary

† Details of the development now permitted will be inserted here, where this is not precisely the same as that described in the application.

NOTES

(1) If the applicant is aggrieved by the decision of the local planning authority to refuse permission or approval for the proposed development or to grant permission or approval subject to conditions, he may appeal to the Secretary of State for the Environment, in accordance with Section 36 of the Town and Country Planning Act 1971, within six months of receipt of this notice. (Appeals must be made on a form which is obtainable from the Secretary of State for the Environment, 2 Marsham Street, London, S.W.1.). The Secretary of State has power to allow a longer period for the giving of a notice of appeal but he will not normally be prepared to exercise this power unless there are special circumstances which excuse the delay in giving notice of appeal. The Secretary of State is not required to entertain an appeal if it appears to him that permission for the proposed development could not have been granted by the local planning authority, or could not have been so granted otherwise than subject to the conditions imposed by them, having regard to the statutory requirements, to the provisions of the development order, and to any directions given under the order. (The statutory requirements include Section 6 of the Control of Office and Industrial Development Act, 1965 and Section 23 of the Industrial Development Act 1966).

(2) If permission to develop land is refused, or granted subject to conditions, whether by the local planning authority or by the Secretary of State for the Environment and the owner of the land claims that the land has become incapable of reasonably beneficial use in its existing state and cannot be rendered capable of reasonably beneficial use by the carrying out of any development which has been or would be permitted, he may serve on the Council of the County District in which the land is situated a purchase notice requiring that Council to purchase his interest in the land in accordance with the provisions of Part IX of the Town and Country Planning Act, 1971

(3) In certain circumstances, a claim may be made against the local planning authority for compensation, where permission is refused or granted subject to conditions by the Secretary of State on appeal or on a reference of an application to him. The circumstances in which such compensation is payable are set out in Section 169 of the Town and Country Planning Act, 1971.

NOTES

(1) If the applicant is aggrieved by the decision of the local planning authority to refuse permission or approval for the proposed development or to grant permission or approval subject to conditions, he may appeal to the Secretary of State for the Environment, in accordance with Section 36 of the Town and Country Planning Act 1971, within six months of receipt of this notice. (Appeals must be made on a form which is obtainable from the Secretary of State for the Environment, 2 Marsham Street, London, S.W.1.). The Secretary of State has power to allow a longer period for the giving of a notice of appeal but he will not normally be prepared to exercise this power unless there are special circumstances which excuse the delay in giving notice of appeal. The Secretary of State is not required to entertain an appeal if it appears to him that permission for the proposed development could not have been granted by the local planning authority, or could not have been so granted otherwise than subject to the conditions imposed by them, having regard to the statutory requirements, to the provisions of the development order, and to any directions given under the order. (The statutory requirements include Section 6 of the Control of Office and Industrial Development Act, 1965 and Section 23 of the Industrial Development Act 1966).

(2) If permission to develop land is refused, or granted subject to conditions, whether by the local planning authority or by the Secretary of State for the Environment and the owner of the land claims that the land has become incapable of reasonably beneficial use in its existing state and cannot be rendered capable of reasonably beneficial use by the carrying out of any development which has been or would be permitted, he may serve on the Council of the County District in which the land is situated a purchase notice requiring that Council to purchase his interest in the land in accordance with the provisions of Part IX of the Town and Country Planning Act, 1971

(3) In certain circumstances, a claim may be made against the local planning authority for compensation, where permission is refused or granted subject to conditions by the Secretary of State on appeal or on a reference of an application to him. The circumstances in which such compensation is payable are set out in Section 169 of the Town and Country Planning Act, 1971.

Conditions:

1. The development hereby permitted shall be begun on or before the expiration of three years beginning with the date of this permission.
2. A scheme of landscaping including details of all hedges, planting and tree planting to be carried out, together with details of all trees and other natural vegetation to be retained on site shall be submitted to and approved by the Castle Point District Council in writing, prior to commencement of the development hereby approved; such landscaping scheme to be implemented prior to completion and occupation of the said development.

Any tree contained within such scheme dying or being removed within 5 years of the date of this permission shall be replaced by a tree of similar size and species by the applicant or the applicants successor in title.

3. Details or samples of all materials to be used on the external elevations of the development proposed shall be submitted to and approved by the Castle Point District Council in writing, prior to commencement of the development hereby approved.

Reasons:

1. This condition is imposed pursuant to Section 41 of the Town and Country Planning Act 1971 and in order to encourage an early start to the development having regard to the considerable demand for additional housing accommodation over the country as a whole.
2. To ensure a satisfactory development incorporating a degree of natural relief in the interests ~~of~~^{of} the amenities of this site.
3. In order to ensure a satisfactory development in sympathy with and harmonious to existing development in this area.
