

Conditions:

1. The development hereby permitted shall be begun on or before the expiration of five years beginning with the date of this permission.
2. There shall be no obstruction to visibility above a height of 0.6m (2'0") within the area of the sight splay hatched blue on the plan returned herewith, save as provided for in any other condition of this permission.
3. Prior to completion and occupation of the development hereby approved, a 1.8m (6') brick wall/close boarded screen fence shall be erected and thereafter retained in the positions indicated green on the plan returned herewith.
4. A scheme of landscaping including details of all hedges, planting and tree planting to be carried out, together with details of all trees and other natural vegetation to be retained on site shall be submitted to and approved by the Castle Point District Council in writing, prior to commencement of the development hereby approved; such landscaping scheme to be implemented prior to completion and occupation of the said development.
Any tree contained within such scheme dying or being removed within 5 years of the date of this permission shall be replaced by a tree of similar size and species by the applicant or the applicants successor in title.
5. No development of the type specified in Section 1 of Class 1 of Schedule 1 of the Town and Country Planning General Development Order 1977 shall be carried out without the written permission of the Castle Point District Council.
6. The garage shall be used for domestic purposes only incidental to the enjoyment of the dwelling house as such.
7. The garage(s) shall be retained solely for that use and not converted into living accommodation.
8. The garage(s) door(s) shall be permanently set a minimum distance of 20' (6m) from the highway boundary.

Reasons:

1. This condition is imposed pursuant to Section 41 of the Town and Country Planning Act 1971.
2. To obtain maximum visibility in the interests of highway safety.
3. To safeguard the privacy and amenities of both this and adjoining premises.
4. To ensure a satisfactory development incorporating a degree of natural relief in the interests of the amenities of this site.
5. The site of the development hereby approved is restricted in size and additional development could result in an unacceptable diminution in privacy or private open space standards.
6. To safeguard the amenities of the surrounding dwellings.
7. To retain adequate on site garaging provision.
8. To ensure garage forecourts of adequate depth clear of the adjoining highway.

NOTES

(1) If the applicant is aggrieved by the decision of the local planning authority to refuse permission or approval for the proposed development, he may appeal to the Secretary of State for the Environment in accordance with Section 36 of the Town and Country Planning Act 1971, within six months of receipt of this notice. (Appeals must be made on a form which is obtainable from the Secretary of State for the Environment, Tollgate House, Houlton Street, Bristol, Avon). The Secretary of State has power to allow a longer period for giving of a notice of appeal but he will not normally be prepared to exercise this power unless there are special circumstances which excuse the delay in giving notice of appeal. The Secretary of State is not required to entertain an appeal if it appears to him that permission for the proposed development could not have been granted by the local planning authority, having regard to the statutory requirements, to the provisions of the development order, and to any directions given under the order. (The statutory requirements include Section 6 of the Control of Office and Industrial Development Act, 1956 and Section 23 of the Industrial Development Act, 1966).

(2) If permission to develop land is refused, or granted subject to conditions, whether by the local planning authority or by the Secretary of State for the Environment and the owner of the land claims that the land has become incapable of reasonably beneficial use in its existing state and cannot be rendered capable of reasonably beneficial use by the carrying out of any development which has been or would be permitted, he may serve on the Council of the County District in which the land is situated a purchase notice requiring that Council to purchase his interest in the land in accordance with the provisions of Part IX of the Town and Country Planning Act, 1971.

(3) In certain circumstances, a claim may be made against the local planning authority for compensation, where permission is refused or granted subject to conditions by the Secretary of State on appeal or on a reference of an application to him. The circumstances in which such compensation is payable are set out in Section 169 of the Town and Country Planning Act, 1971.

NOTES

(1) If the applicant is aggrieved by the decision of the local planning authority to refuse permission or approval for the proposed development or to grant permission or approval subject to conditions, he may appeal to the Secretary of State for the Environment, in accordance with Section 36 of the Town and Country Planning Act 1971, within six months of receipt of this notice. (Appeals must be made on a form which is obtainable from the Secretary of State for the Environment, Tollgate House, Houlton Street, Bristol, Avon.

The Secretary of State has power to allow a longer period for giving of a notice of appeal but he will not normally be prepared to exercise this power unless there are special circumstances which excuse the delay in giving notice of appeal.

The Secretary of State is not required to entertain an appeal if it appears to him that permission for the proposed development could not have been granted by the local planning authority, or could not have been so granted otherwise than subject to the conditions imposed by them, having regard to the statutory requirements, to the provisions of the development order, and to any directions given under the order. (The statutory requirements include Section 6 of the Control of Office and Industrial Development Act, 1965 and Section 23 of the Industrial Development Act 1966).

(2) If permission to develop land is refused, or granted subject to conditions, whether by the local planning authority or by the Secretary of State for the Environment and the owner of the land claims that the land has become incapable of reasonably beneficial use in its existing state and cannot be rendered capable of reasonable beneficial use by the carrying out of any development which has been or would be permitted, he may serve on the Council of the County District in which the land is situated a purchase notice requiring that Council to purchase his interest in the land in accordance with the provisions of Part IX of the Town and Country Planning Act, 1971.

(3) In certain circumstances, a claim may be made against the local planning authority for compensation, where permission is refused or granted subject to conditions by the Secretary of State on appeal or on a reference of an application to him. The circumstances in which such compensation is payable are set out in Section 169 of the Town and Country Planning Act, 1971

2
C.R. 10/10/70

Schedule of Conditions and Reasons which form
part of Decision Notice No. CPT/BR/F/133/85.

CONDITIONS:

1. The development hereby permitted shall be begun on or before the expiration of five years beginning with the date of this permission.
2. There shall be no obstruction to visibility above a height of 0.6m (2') within the area of the sight splay hatched blue on the plan returned herewith, save as provided for in any other condition of this permission.
3. Prior to completion and occupation of the development hereby approved, a 1.8m (6') brick wall/close boarded screen fence shall be erected and thereafter retained in the positions indicated green on the plan returned herewith.
4. A scheme of landscaping including details of all hedges, planting and tree planting to be carried out, together with details of all trees and other natural vegetation to be retained on site shall be submitted to and approved by the Castle Point District Council in writing, prior to commencement of the development hereby approved; such landscaping scheme to be implemented prior to completion and occupation of the said development.

Any tree contained within such scheme dying or being removed within 5 years of the date of this permission shall be replaced by a tree of a similar size and species by the applicant or the applicants successor in title.
5. The existing outbuildings on the site shall be removed before the development hereby permitted is first occupied.
6. At no time shall the ground floor of the proposed building hereby permitted be converted to living accommodation.
7. No extensions of any description shall be carried out on the site without the express consent in writing of the Castle Point District Council.

REASONS:

1. This condition is imposed pursuant to Section 41 of the Town and Country Planning Act 1971.
2. To obtain maximum visibility in the interests of highway safety.
3. To safeguard the privacy and amenities of both this and adjoining premises.
4. To ensure a satisfactory development incorporating a degree of natural relief in the interests of the amenities of this site.
5. To safeguard the appearance of the surrounding area.
6. & 7. The site of the development hereby permitted is restricted in size and additional development could result in an unacceptable diminution in privacy or private open space standards.

Dated 26 March 1985

Council.

TOWN AND COUNTRY PLANNING ACT 1971

Town and Country Planning General Development Orders

DISTRICT COUNCIL OF CASTLE POINT

To Mr. and Mrs. Johnson,

..... c/o Ron Hudson Designs Ltd.,
305 London Road, Hadleigh, Essex.

This Council do hereby give notice of their decision to REFUSE permission for the following development:-

Two storey, pitched roofed, rear extension at
106 Thisselt Road, Canvey Island

for the following reasons:-

The unsatisfactory living conditions which would result from the poor layout of the rooms whereby bedroom 3 would have no window opening(s), would ultimately lead to the creation of a bedroom window in the side elevation at first floor level, giving rise to overlooking and a loss of privacy on the part of the occupiers of the adjoining dwelling.

NOTES

(1) If the applicant is aggrieved by the decision of the local planning authority to refuse permission or approval for the proposed development or to grant permission or approval subject to conditions, he may appeal to the Secretary of State for the Environment, in accordance with Section 36 of the Town and Country Planning Act 1971, within six months of receipt of this notice. (Appeals must be made on a form which is obtainable from the Secretary of State for the Environment, Tollgate House, Houlton Street, Bristol, Avon.

The Secretary of State has power to allow a longer period for giving of a notice of appeal but he will not normally be prepared to exercise this power unless there are special circumstances which excuse the delay in giving notice of appeal.

The Secretary of State is not required to entertain an appeal if it appears to him that permission for the proposed development could not have been granted by the local planning authority, or could not have been so granted otherwise than subject to the conditions imposed by them, having regard to the statutory requirements, to the provisions of the development order, and to any directions given under the order. (The statutory requirements include Section 6 of the Control of Office and Industrial Development Act, 1965 and Section 23 of the Industrial Development Act 1966).

(2) If permission to develop land is refused, or granted subject to conditions, whether by the local planning authority or by the Secretary of State for the Environment and the owner of the land claims that the land has become incapable of reasonably beneficial use in its existing state and cannot be rendered capable of reasonable beneficial use by the carrying out of any development which has been or would be permitted, he may serve on the Council of the County District in which the land is situated a purchase notice requiring that Council to purchase his interest in the land in accordance with the provisions of Part IX of the Town and Country Planning Act, 1971.

(3) In certain circumstances, a claim may be made against the local planning authority for compensation, where permission is refused or granted subject to conditions by the Secretary of State on appeal or on a reference of an application to him. The circumstances in which such compensation is payable are set out in Section 169 of the Town and Country Planning Act, 1971

This Council do hereby give notice of their decision to REFUSE permission for the following development:-

Conversion of garage to living accommodation; and front bay window and canopy at 11B Aalten Avenue, Canvey Island
for the following reasons:-

The proposal would lead to the loss of the dwelling site's only practicable garaging space, and as such it is likely that cars would be parked on the highway to the detriment of highway safety and traffic flow.

BOROUGH COUNCIL OF CASTLE POINT

To Tavern Group Limited,
c/o David Edwards, Legal Department;
The Greenalls Group Plc,
. Wilderspool House, Greenalls Avenue,
Warrington, Cheshire, WA4 6RH.

This Council do hereby give notice of their decision to REFUSE permission for the following development:-

Variation of consent under CPT/152/85 to remove condition 3 and utilise unit as a cash and carry retail use and warehouse at 57 Stadium Way, Rayleigh Trading Estate, Benfleet.

for the following reasons:-

The proposal would involve the loss of industrially allocated land forming part of one of the Boroughs major Industrial Estate, contrary to the policy and objectives of the Deposit Local Plan which seeks to retain industrially allocated land for employment purposes. If allowed the use would be likely to detract from the suitability of the estate to fulfil its purpose and its integrity would be determined. The piecemeal aggregation of such changes of use could lead in the longer term to the reduction of the employment base, an increase in out commuting and the associated establishment of non-sustainable development practices in the Borough.

The Secretary of State has power to allow a longer period for giving of a notice of appeal but he will not normally be prepared to exercise this power unless there are special circumstances which excuse the delay in giving notice of appeal.

The Secretary of State is not required to entertain an appeal if it appears to him that permission for the proposed development could not have been granted by the local planning authority, or could not have been so granted otherwise than subject to the conditions imposed by them, having regard to the statutory requirements, to the provisions of the development order, and to any directions given under the order. (The statutory requirements include Section 6 of the Control of Office and Industrial Development Act, 1965 and Section 23 of the Industrial Development Act 1966).

(2) If permission to develop land is refused, or granted subject to conditions, whether by the local planning authority or by the Secretary of State for the Environment and the owner of the land claims that the land has become incapable of reasonably beneficial use in its existing state and cannot be rendered capable of reasonable beneficial use by the carrying out of any development which has been or would be permitted, he may serve on the Council of the County District in which the land is situated a purchase notice requiring that Council to purchase his interest in the land in accordance with the provisions of Part IX of the Town and Country Planning Act, 1971.

(3) In certain circumstances, a claim may be made against the local planning authority for compensation, where permission is refused or granted subject to conditions by the Secretary of State on appeal or on a reference of an application to him. The circumstances in which such compensation is payable are set out in Section 169 of the Town and Country Planning Act, 1971

NOTES

(1) If the applicant is aggrieved by the decision of the local planning authority to refuse permission or approval for the proposed development or to grant permission or approval subject to conditions, he may appeal to the Secretary of State for the Environment, in accordance with Section 36 of the Town and Country Planning Act 1971, within six months of receipt of this notice. (Appeals must be made on a form which is obtainable from the Secretary of State for the Environment, Tollgate House, Houlton Street, Bristol, Avon.

The Secretary of State has power to allow a longer period for giving of a notice of appeal but he will not normally be prepared to exercise this power unless there are special circumstances which excuse the delay in giving notice of appeal.

The Secretary of State is not required to entertain an appeal if it appears to him that permission for the proposed development could not have been granted by the local planning authority, or could not have been so granted otherwise than subject to the conditions imposed by them, having regard to the statutory requirements, to the provisions of the development order, and to any directions given under the order. (The statutory requirements include Section 6 of the Control of Office and Industrial Development Act, 1965 and Section 23 of the Industrial Development Act 1966).

(2) If permission to develop land is refused, or granted subject to conditions, whether by the local planning authority or by the Secretary of State for the Environment and the owner of the land claims that the land has become incapable of reasonably beneficial use in its existing state and cannot be rendered capable of reasonable beneficial use by the carrying out of any development which has been or would be permitted, he may serve on the Council of the County District in which the land is situated a purchase notice requiring that Council to purchase his interest in the land in accordance with the provisions of Part IX of the Town and Country Planning Act, 1971.

(3) In certain circumstances, a claim may be made against the local planning authority for compensation, where permission is refused or granted subject to conditions by the Secretary of State on appeal or on a reference of an application to him. The circumstances in which such compensation is payable are set out in Section 169 of the Town and Country Planning Act, 1971
