Town and Country Planning General Development Orders

DISTRICT COUNCIL OF CASTLE POINT

To Mr. P. Seabrook,

..... Canvey Island,
Essex

This Council do hereby give notice of their decision to REFUSE permission for the following development:-

Conversion of existing garage to bedroom at 21 Newlands Road, Canvey Island

for the following reasons:-

1. The proposal would result in the loss of the dwelling's only practicable garaging space. If allowed therefore, it is likely that cars would be parked on the highway to the detriment of traffic flow and highway safety.
2. The proposal represents overdevelopment of the site, in that the rear garden would be insufficiently large, in relation to the amount of living accommodation provided.

To B.R. Mansfield, Esq.,

..... Daws Heath,
Hadleigh, Essex, SS7 2UX

This Council do hereby give notice of their decision to REFUSE permission for the following development:-

Replacement four bedroom chalet by conversion of partially constructed structure
at 174 Bramble Road, Daws Heath

for the following reasons:-

1. The proposed new dwelling would not comply with the Council's adopted policy for the rebuilding of dwellings in the Green Belt in that it does not accord with the size and general form of the dwelling it replaces and its resiting would be more obtrusive in this rural Green Belt location.
2. The proposed new dwelling would by reason of its bulk and size dominate and have serious affect on the privacy and amenity of the adjoining dwelling to the west by reason of overlooking and loss of light.
3. The proposed dwelling would not provide sufficient space around the building at the sides to give it a proper setting appropriate to its size and its Green Belt location.

This Council do hereby give notice of their decision to REFUSE permission for the following development:-

Two storey block of two, two bedroom flats with garage spaces - vacant site, south side 22 Ash Road, Hadleigh

1. The proposal by reason of the creation of the garaging and car parking spaces at the rear of the site would create noise, fumes and disturbance for the occupiers of the surrounding dwellings, detrimental to the amenities reasonably expected to be enjoyed in the dwellings and their gardens.
2. The proposed garage spaces and car parking spaces are not of sufficient size to meet the Council's standards and would not therefore be capable of accommodating the car parking requirement for the development which would lead to cars parking on the highway to the detriment of highway safety and the free flow of traffic.

Town and Country Planning General Development Orders

DISTRICT COUNCIL OF CASTLE POINT

To Trafmet Homes,
c/o Stanley Bragg Partnership Ltd., Abbeygate One,
..... 8 Whitewell Road, Colchester, Essex, CO2 7DF

This Council do hereby give notice of their decision to REFUSE permission for the following development:-

Eight one-bedroomed flats and eight two-bedroomed flats in two three-storey blocks, four one-bedroomed and eleven two-bedroomed houses in four two-storey blocks, access road and forty-one car parking spaces at land to rear of the Anchor Inn, High Road, South Benfleet

for the following reasons:-

1. The proposal is considered to be overdevelopment of the site, out of scale and character within this prominent part of the Conservation Area. Furthermore the proposal fails to meet the high standards of design and layout required for the Conservation Area particularly in view of the relationship of the site to the adjoining Listed Buildings.
2. The proposed development in close proximity to the existing Public House and car park would be likely to result in disturbance, noise and general activity, particularly during unsocial hours, to the detriment of the future occupiers of the dwellings.
3. The layout of the proposed development is dominated by the car parking provision and thereby fails to provide a proper setting for the buildings and would add to noise, general disturbance and poor amenity of the future occupiers of the dwellings.
4. The proposal is considered to be overdevelopment of the site in that it fails to provide all of the dwellings with sufficient private amenity space to meet the Council's standards for the needs of the occupiers for the amount of accommodation to be provided in the dwellings.
5. The proposal does not provide sufficient parking facilities to meet the Council's standards for the number of dwellings to be provided on the site and would lead to further on-street car parking in the surrounding area detrimental to its amenity and character and to highway safety.
