

TOWN AND COUNTRY PLANNING ACT 1971

Town and Country Planning General Development Orders

DISTRICT COUNCIL OF CASTLE POINT

To Mr. B. Miller,
c/o Lapdeal Ltd., 174 Long Road, Canvey Island, Essex
.....

This Council do hereby give notice of their decision to REFUSE permission for the following development:-

One detached, one bedroomed bungalow with attached garage at 26 Corona Road,
Canvey Island

for the following reasons:-

1. The proposed development would not comply with the Canvey Island Residential Development Control Policy which states that on plots 60'-70' deep, one bedroomed bungalows will only be allowed, in two's, on plots with a minimum frontage of 60' up to 70'.
2. The proposed development would deprive the site of potential on-site car parking provision. If allowed therefore, it is likely that cars would be parked on the carriageway in front of the site, to the detriment of highway safety and traffic flow.

NOTES

(1) If the applicant is aggrieved by the decision of the local planning authority to refuse permission or approval for the proposed development, he may appeal to the Secretary of State for the Environment in accordance with Section 36 of the Town and Country Planning Act 1971, within six months of receipt of this notice. (Appeals must be made on a form which is obtainable from the Secretary of State for the Environment, Tollgate House, Houlton Street, Bristol, Avon). The Secretary of State has power to allow a longer period for giving of a notice of appeal but he will not normally be prepared to exercise this power unless there are special circumstances which excuse the delay in giving notice of appeal. The Secretary of State is not required to entertain an appeal if it appears to him that permission for the proposed development could not have been granted by the local planning authority, having regard to the statutory requirements, to the provisions of the development order, and to any directions given under the order. (The statutory requirements include Section 6 of the Control of Office and Industrial Development Act, 1956 and Section 23 of the Industrial Development Act, 1966).

(2) If permission to develop land is refused, or granted subject to conditions, whether by the local planning authority or by the Secretary of State for the Environment and the owner of the land claims that the land has become incapable of reasonably beneficial use in its existing state and cannot be rendered capable of reasonably beneficial use by the carrying out of any development which has been or would be permitted, he may serve on the Council of the County District in which the land is situated a purchase notice requiring that Council to purchase his interest in the land in accordance with the provisions of Part IX of the Town and Country Planning Act, 1971.

(3) In certain circumstances, a claim may be made against the local planning authority for compensation, where permission is refused or granted subject to conditions by the Secretary of State on appeal or on a reference of an application to him. The circumstances in which such compensation is payable are set out in Section 169 of the Town and Country Planning Act, 1971.

SCHEDULE OF CONDITIONS & REASONS WHICH
FORMS PART OF DECISION NOTICE NO. CPT/1196/89

CONDITIONS:

1. The development hereby permitted shall be begun on or before the expiration of five years beginning with the date of this permission.
2. The proposed development shall be finished externally in materials to harmonize with the existing building.
3. The garage shall be used for domestic purposes only incidental to the enjoyment of the dwelling house as such.
4. The garage(s) shall be retained solely for that use and not converted into living accommodation.

REASONS:

1. This condition is imposed pursuant to Section 41 of the Town and Country Planning Act 1971.
2. In order to ensure a development sympathetic to and in keeping with the existing development.
3. To safeguard the amenities of the surrounding dwellings.
4. To retain adequate on site garaging provision.

Town and Country Planning General Development Orders

DISTRICT COUNCIL OF CASTLE POINT

To ... Mr. Woolfe,
c/o D.M. Grew, 224 Rectory Road, Hawkwell, Essex
.....

This Council do hereby give notice of their decision to REFUSE permission for the following development:-

Part two storey, part single storey, pitched roofed, side extension at
22 Oak Road South, Hadleigh

for the following reasons:-

1. The proposal does not provide sufficient on-site car parking provision to meet the Council's standards for the amount of accommodation to be provided and would be likely therefore to lead to on-street parking to the detriment of highway safety and the free flow of traffic.
2. The garage would be sited less than 20ft (6m) from the highway boundary. If allowed therefore, it is likely that cars would be parked either on the carriageway to the detriment of highway safety and the free flow of traffic or partly on the forecourt and partly on the highway to the detriment of the safety of pedestrians.

NOTES

(1) If the applicant is aggrieved by the decision of the local planning authority to refuse permission or approval for the proposed development, he may appeal to the Secretary of State for the Environment in accordance with Section 36 of the Town and Country Planning Act 1971, within six months of receipt of this notice. (Appeals must be made on a form which is obtainable from the Secretary of State for the Environment, Tollgate House, Houlton Street, Bristol, Avon). The Secretary of State has power to allow a longer period for giving of a notice of appeal but he will not normally be prepared to exercise this power unless there are special circumstances which excuse the delay in giving notice of appeal. The Secretary of State is not required to entertain an appeal if it appears to him that permission for the proposed development could not have been granted by the local planning authority, having regard to the statutory requirements, to the provisions of the development order, and to any directions given under the order. (The statutory requirements include Section 6 of the Control of Office and Industrial Development Act, 1956 and Section 23 of the Industrial Development Act, 1966).

(2) If permission to develop land is refused, or granted subject to conditions, whether by the local planning authority or by the Secretary of State for the Environment and the owner of the land claims that the land has become incapable of reasonably beneficial use in its existing state and cannot be rendered capable of reasonably beneficial use by the carrying out of any development which has been or would be permitted, he may serve on the Council of the County District in which the land is situated a purchase notice requiring that Council to purchase his interest in the land in accordance with the provisions of Part IX of the Town and Country Planning Act, 1971.

.....

This Council do hereby give notice of their decision to REFUSE permission for the following development:-

Two detached, two bedroomed bungalows, with garages at 51 Point Road, Canvey Island

for the following reasons:-

1. The proposal would lead to the creation of a further access on a stretch of classified highway where the principal function is that of carrying traffic freely between centres of population. The slowing and turning of vehicles associated with the use of the access would lead to conflict and interference with the passage of through vehicles to the detriment of that principal function.
2. The problems of traffic conflict would be exacerbated by the lack of turning facilities for the dwelling on Plot 1. If allowed, the use of this access would necessitate vehicles either reversing out onto Point Road or manoeuvring within the highway to reverse onto the site, both of which operations would be detrimental to the free flow of traffic and highway safety.
3. The formation of a vehicular access across the greensward would create an unattractive feature, detrimental to the visual amenities of the surrounding area.

TOWN AND COUNTRY PLANNING ACT 1971

Town and Country Planning General Development Orders

DISTRICT COUNCIL OF CASTLE POINT

To Mrs. Hamer,
c/o Doug. E. Mills, 19 Downer Road (South), Benfleet, Essex ..
.....

This Council do hereby give notice of their decision to REFUSE permission for the following development:-

Two detached houses with garages at 1 Clarence Road, Benfleet

for the following reasons:-

1. The proposal is considered to be overdevelopment of the site, having an insufficient frontage to accommodate the dwellings and would create a development of mean and cramped appearance, out of character with the more spacious settings of the adjoining dwellings.
2. The development of the site with two dwellings would lead to a poor relationship between those dwellings and the adjoining dwellings and would lead to a serious loss of privacy in the enjoyment of the gardens and living accommodation of the occupiers of the adjoining dwellings.

NOTES

(1) If the applicant is aggrieved by the decision of the local planning authority to refuse permission or approval for the proposed development, he may appeal to the Secretary of State for the Environment in accordance with Section 36 of the Town and Country Planning Act 1971, within six months of receipt of this notice. (Appeals must be made on a form which is obtainable from the Secretary of State for the Environment, Tollgate House, Houlton Street, Bristol, Avon). The Secretary of State has power to allow a longer period for giving of a notice of appeal but he will not normally be prepared to exercise this power unless there are special circumstances which excuse the delay in giving notice of appeal. The Secretary of State is not required to entertain an appeal if it appears to him that permission for the proposed development could not have been granted by the local planning authority, having regard to the statutory requirements, to the provisions of the development order, and to any directions given under the order. (The statutory requirements include Section 6 of the Control of Office and Industrial Development Act, 1956 and Section 23 of the Industrial Development Act, 1966).

(2) If permission to develop land is refused, or granted subject to conditions, whether by the local planning authority or by the Secretary of State for the Environment and the owner of the land claims that the land has become incapable of reasonably beneficial use in its existing state and cannot be rendered capable of reasonably beneficial use by the carrying out of any development which has been or would be permitted, he may serve on the Council of the County District in which the land is situated a purchase notice requiring that Council to purchase his interest in the land in accordance with the provisions of Part IX of the Town and Country Planning Act, 1971.

(3) In certain circumstances, a claim may be made against the local planning authority for compensation, where permission is refused or granted subject to conditions by the Secretary of State on appeal or on a reference of an application to him. The circumstances in which such compensation is payable are set out in Section 169 of the Town and Country Planning Act, 1971.
