This Council do hereby give notice of their decision to REFUSE permission for the following development:-

Three storey, pitched roofed, flat development comprising 18 one bedroomed flats and 36 two bedroomed flats and the provision of 108 car parking spaces at London Road, Benfleet

for the following reasons:-

- 1. The proposal is considered to be overdevelopment of the site which does not comply with the Council's policy in respect of building lines in that it fails to provide a satisfactory setting for the buildings appropriate to their size, function and situation.
- 2. The majority of the proposed private amenity space for the occupiers of the flats is unsatisfactorily situated in front of the buildings and would have a detrimental affect on the amenity of the occupiers of those flats it adjoins and necessitates the provision of high brick wall screening which contributes to the unsatisfactory setting for the buildings proposed.
