(3) In certain circumstances, a claim may be made against the local planning authority for compensation, where permission is refused or granted subject to conditions by the Secretary of State on appeal or on a reference of an application to him. NOTES

(1) If the applicant is aggrieved by the decision of the local planning authority to refuse permission or approval for the proposed development, he may appeal to the Secretary of State for the Environment in accordance with Section 36 of the Town and Country Planning Act 1971, within six months of receipt of this notice. (Appeals must be made on a form which is obtainable from the Secretary of State for the Environment, Tollgate House, Houlton Street, Bristol, Avon). The Secretary of State has power to allow a longer period for giving of a notice of appeal but he will not normally be prepared to exercise this power unless there are special circumstances which excuse the delay in giving notice of appeal. The Secretary of State is not required to entertain an appeal if it appears to him that permission for the proposed development could not have been granted by the local planning authority, having regard to the statutory requirements, to the provisions of the development order, and to any directions given under the order. (The statutory requirements include Section 6 of the Control of Office and Industrial Development Act, 1956 and Section 23 of the Industrial Development Act, 1966).

(2) If permission to develop land is refused, or granted subject to conditions, whether by the local planning authority or by the Secretary of State for the Environment and the owner of the land claims that the land has become incapable of reasonably beneficial use in its existing state and cannot be rendered capable of reasonably beneficial use by the carrying out of any development which has been or would be permitted, he may serve on the Council of the County District in which the land is situated a purchase notice requiring that Council to purchase his interest in the land in accordance with the provisions of Part IX of the Town and Country Planning Act, 1971.

(3) In certain circumstances, a claim may be made against the local planning authority for compensation, where permission is refused or granted subject to conditions by the Secretary of State on appeal or on a reference of an application to him. The circumstances in which such compensation is payable are set out in Section 169 of the Town and Country Planning Act, 1971.

Town and Country Planning General Development Orders

DISTRICT COUNCIL OF CASTLE POINT

ToMr.. and Mrs.. Barton,.....
c/o H.V.G. Sorrell, 40 Clarence Street, Southend-on-Sea, Essex
.....

This Council do hereby give notice of their decision to REFUSE permission for the following development:-

Conversion of end terrace house into two self-contained one bedroomed flats and provision of two car parking spaces at 22 Church Road, Hadleigh

for the following reasons:-

1. The proposal would be contrary to the Council's "Planning Guidelines" for General Purpose flats and sheltered accommodation for the elderly", wherein it states: "Each flat, or maisonette, including non-sheltered accommodation for the elderly, having three bedrooms or less, shall be provided with two parking spaces per dwelling, or one garage or garage space per dwelling, and, in addition one car parking space per dwelling."

The proposal creates two, self-contained one bedroomed flats. Thus a total of four car parking spaces, or two garage spaces and two car parking spaces is required. Two car parking spaces only are provided and thus the proposal represents overdevelopment of the site.

2. The proposal, by virtue of the living room provision at first floor level adjacent to the sleeping accommodation of the adjoining dwelling would detract unreasonably, by reason of noise and general disturbance, from the amenities enjoyed by the occupants of the adjoining dwelling.
3. The proposed car parking spaces indicated on the plans accompanying the application are of insufficient depth to meet the Council's adopted standards which require such forecourt parking spaces to be 6m minimum in order to avoid cars being parked either on the carriageway in front of the application site, to the detriment of highway safety and the free flow of traffic or partly on the forecourt and partly on the highway to the detriment of the safety of pedestrians.

This Council do hereby give notice of their decision to REFUSE permission for the following development:-

New (38 bed) elderly persons home and two staff houses (3 bed) at 15/17 Park Chase
and adjoining land, Hadleigh

for the following reasons:-

1. This land is allocated as Green Belt on the Approved Development Plan Town Map and on the Essex Structure Plan where development for these purposes is allowed only in the most exceptional circumstances.
2. The development would be an intrusive feature in the area of open land to the south of London Road and it would therefore adversely affect the amenity and character of the area.

..... c/o Megan Clarke, 120 Lymington Avenue, Leigh-on-Sea, Essex..

This Council do hereby give notice of their decision to REFUSE permission for the following development:-

Two storey, side extension and single storey, rear extension to provide a registered day nursery for 15 children with the addition of two bedrooms for the existing residential accommodation at 2 Waterside Cottages, Canvey Road, Canvey Island

for the following reasons:-

1. The site is situated in an area allocated for extended Green Belt purposes on the Approved Review Development Plan and Metropolitan Green Belt in the First Review of the Essex Structure Plan where development of this nature is only allowed in the most exceptional circumstances.
2. The proposal would have a seriously detrimental affect on the amenities of the adjoining properties by reason of noise and general disturbance from the Nursery School and the traffic movements associated with the picking up and delivery of children to the School.
3. The proposed extension is considered to be overdevelopment of the site, out of scale and character with the adjoining dwellings and which would imbalance the pair of dwellings of which this forms part and detrimental to the visual symetry of the group of dwellings within which it is situated.
4. The enhanced use of the vehicular access across the bus layby and the use of the bus layby as a waiting area for cars picking up or dropping off children to the School will lead to conflict with the bus services, detrimental to highway safety and the free flow of traffic.

TOWN AND COUNTRY PLANNING ACT 1971

Town and Country Planning General Development Orders

DISTRICT COUNCIL OF CASTLE POINT

To Mr. Chitty, c/o Planning & Design Services,
St. Andrews, 156 Rawreth Lane, Rayleigh, Essex
.....

This Council do hereby give notice of their decision to REFUSE permission for the following development:-

Two storey, pitched roofed side extension, conversion of garage to dining room, three pitched roofed front dormers, flat roofed, rear dormer and pitched roofed front porch at 1 Brussum Road, Canvey Island

for the following reasons:-
The proposed development would not comply with the Councils adopted standard requiring rear garden depths attached to two storey dwellings to have a minimum depth of 30'. If approved therefore the development would give rise to overlooking and a subsequent loss of privacy on the part of the occupiers of the dwellings to the rear.
