## DISTRICT COUNCIL OF CASTLE POINT

To ..... Hey and Croft Ltd. and Martin Dawn Ltd.,  
..... c/o Andrew Martin Associates, Springfield Barnes Farm,  
..... Barnes Mill Road, Chelmsford, Essex, CM2 6NL .....

This Council do hereby give notice of their decision to REFUSE permission for the following development:-

Residential Development of up to 580 dwellings, and construction of highways and cycleways, landscaping and open space at Land to north and south of The Chase, Thundersley

for the following reasons:-

1. The site is situated outside any area of land allocated for residential purposes and is within an area allocated as Extended Green Belt on the Approved Review Development Plan and Metropolitan Green Belt in the Structure Plan where development of this type is permitted only in the most exceptional circumstances.
2. The retention of the Green Belt in this area is of paramount importance in preventing the unrestricted sprawl of parts of Thundersley and Hadleigh, which if this proposal were to be allowed, would coalesce and place under greater pressure the remaining areas of adjoining Green Belt land to the north east.
3. The proposal would intensify the use of two accesses on classified highways where the principle use is that of carrying traffic, freely and safely. The existence of accesses in these locations is a matter of fact and therefore some degree of conflict and interference to the passage of through vehicles already occurs but the intensification of that conflict and interference which this proposal would engender would lead to the deterioration in the efficiency of through roads as traffic carriers and be detrimental to highway safety.
4. The proposal would lead to the loss of a major part of an area of significant local amenity value and ecological interest comprising woodland, trees, hedgerows and grasslands which supports many wildlife habitats including known badger setts. The development of the site for housing purposes would adversely affect these interests.

## NOTES

(1) If the applicant is aggrieved by the decision of the local planning authority to refuse permission or approval for the proposed development, he may appeal to the Secretary of State for the Environment in accordance with Section 36 of the Town and Country Planning Act 1971, within six months of receipt of this notice. (Appeals must be made on a form which is obtainable from the Secretary of State for the Environment, Tollgate House, Houlton Street, Bristol, Avon). The Secretary of State has power to allow a longer period for giving of a notice of appeal but he will not normally be prepared to exercise this power unless there are special circumstances which excuse the delay in giving notice of appeal. The Secretary of State is not required to entertain an appeal if it appears to him that permission for the proposed development could not have been granted by the local planning authority, having regard to the statutory requirements, to the provisions of the development order, and to any directions given under the order. (The statutory requirements include Section 6 of the Control of Office and Industrial Development Act, 1956 and Section 23 of the Industrial Development Act, 1966).

(2) If permission to develop land is refused, or granted subject to conditions, whether by the local planning authority or by the Secretary of State for the Environment and the owner of the land claims that the land has become incapable of reasonably beneficial use in its existing state and cannot be rendered capable of reasonably beneficial use by the carrying out of any development which has been or would be permitted, he may serve on the Council of the County District in which the land is situated a purchase notice requiring that Council to purchase his interest in the land in accordance with the provisions of Part IX of the Town and Country Planning Act, 1971.

(3) In certain circumstances, a claim may be made against the local planning authority for compensation, where permission is refused or granted subject to conditions by the Secretary of State on appeal or on a reference of an application to him. The circumstances in which such compensation is payable are set out in Section 169 of the Town and Country Planning Act, 1971.

DISTRICT COUNCIL OF CASTLE POINT

To ..... Alice Properties Ltd., .....

This Council do hereby give notice of their decision to REFUSE permission for the following development:-

Three, four bedroomed detached houses with integral garages at 15 Hillside Road, Benfleet

for the following reasons:-

The proposal is considered to be overdevelopment of the site resulting in private rear garden depths below the Council's standards, insufficiently large in relation to the needs of the occupiers of the dwellings for the amount of accommodation provided and would lead to overlooking and a serious loss of privacy in the enjoyment of their gardens and dwellinghouses for the occupants of the adjoining properties.

This Council do hereby give notice of their decision to REFUSE permission for the following development:-

Detached three/four bedroomed house and detached garage at land adjacent to  
2 Melcombe Road, Benfleet

for the following reasons:-

1. The siting of the proposed dwelling would be contrary to the Council's policy for building lines in that it is sited in advance of the well established building line of South View Road and would therefore be an overdominant feature in the street scene out of scale and character with the more open nature of the surrounding development.
2. The site of the application appears to include the established right of way serving as vehicular access to numbers 2 to 8 Melcombe Road and if allowed therefore would preclude vehicular access to the garages serving these properties which would lead to vehicles being parked on the highway to the detriment of highway safety.

Town and Country Planning General Development Orders

DISTRICT COUNCIL OF CASTLE POINT

To ..... Mr. P.A. Swindell,  
c/o Doug. E. Mills, 19 Downer Road (South), Benfleet, Essex  
.....

This Council do hereby give notice of their decision to REFUSE permission for the following development:-

Part single storey, part two storey, hipped roofed, side extension; sloped roofed, rear extension and front bay window at 21 Curlew Drive, Benfleet

for the following reasons:-

The proposed extension at first floor level by reason of its shape and mass together with the other changes to the fenestration on the front elevation would spoil the appearance of the dwelling and the semi-detached pair of which it forms part and be an obtrusive and alien feature in, and detrimental to the visual character of the street scene.

## NOTES

(1) If the applicant is aggrieved by the decision of the local planning authority to refuse permission or approval for the proposed development, he may appeal to the Secretary of State for the Environment in accordance with Section 36 of the Town and Country Planning Act 1971, within six months of receipt of this notice. (Appeals must be made on a form which is obtainable from the Secretary of State for the Environment, Tollgate House, Houlton Street, Bristol, Avon). The Secretary of State has power to allow a longer period for giving of a notice of appeal but he will not normally be prepared to exercise this power unless there are special circumstances which excuse the delay in giving notice of appeal. The Secretary of State is not required to entertain an appeal if it appears to him that permission for the proposed development could not have been granted by the local planning authority, having regard to the statutory requirements, to the provisions of the development order, and to any directions given under the order. (The statutory requirements include Section 6 of the Control of Office and Industrial Development Act, 1956 and Section 23 of the Industrial Development Act, 1966).

(2) If permission to develop land is refused, or granted subject to conditions, whether by the local planning authority or by the Secretary of State for the Environment and the owner of the land claims that the land has become incapable of reasonably beneficial use in its existing state and cannot be rendered capable of reasonably beneficial use by the carrying out of any development which has been or would be permitted, he may serve on the Council of the County District in which the land is situated a purchase notice requiring that Council to purchase his interest in the land in accordance with the provisions of Part IX of the Town and Country Planning Act, 1971.

(3) In certain circumstances, a claim may be made against the local planning authority for compensation, where permission is refused or granted subject to conditions by the Secretary of State on appeal or on a reference of an application to him. The circumstances in which such compensation is payable are set out in Section 169 of the Town and Country Planning Act, 1971.
